In Data Elimination

ACCESSORIES

**CASES**  
Mobility Cases

MIL SPEC product shipping cases

**Equipment Cases**

Each mobility case is custom designed and constructed to securely hold specific equipment combinations. Cases offer features that include:

- Custom-cut foam protects equipment during transit
- High-quality ball bearings, smooth-rolling wheels
- Full-swivel, locking, and removable casters\*
- Recessed handles for protection during transit
- Recessed latches for secure transport
- Low-profile design to fit through standard doorways and into elevators

\*Product transport cases and mobility package cases only.
