

The World Leader
In Data Elimination

DESTRUCTION PACKAGES

CART-RCC-R
Data Eliminator Cart

*NSA-listed TS-1XT IRONCLAD degausser and
NSA-listed PD-5 destroyer shown*

Features and Benefits

Garner's custom configured data eliminator cart offers an agile and safe solution for mobile operations. Your choice of destruction equipment securely mounts to the cart, creating a secure mobile workstation that fits your needs.

The data eliminator cart features shelving, heavy duty straps, mounting brackets, integrated power strip, and smooth rolling wheels to safely and securely take destruction equipment to the media. It also offers accessible shelving that is easily vacuumed and wiped down.

Custom Configuration

Can be used with any Garner brand degausser, physical destroyer, and IRONCLAD verification system.

Includes:

- Heavy duty straps and mounting brackets securely hold equipment
- Smooth rolling wheels allow for agile and safe mobile operation
- Accessible shelving that is easily vacuumed and wiped down
- Plugs into standard wall outlet
- Supplies power to all equipment with one integrated power strip
- Mounting hardware for IRONCLAD display
